Newsletter

Pre-K Parents: We will begin working soon on teaching the children their address and phone number. Please let Mrs. Jessica know which address and phone number you would like for your child to memorize in case of emergency so we can begin working on those first. Thanks!

Parent/Teacher Conferences: Parents, if you would like a chance to meet with your child's teacher please let Tammy or Jenny know if there is a time/day that works best for you so we can work on getting those scheduled within the next month.

Free Eye Screening: If your child is 6 months or older and you would like for them to have their eyes screened, the Lion's Club will be coming to Kathy's House to perform free screenings on March 5. Please be on the lookout for a permission form that you will need to sign in order to have the screening done. If you have any questions please ask Tammy or Jenny.

2014 Activity Fee: Just a reminder that the yearly activity fee is due March 1st. The fee is \$60 for one child and \$80 per family. This is money that we use for supplies and activities throughout the year. If you have any suggestions of people who would come to Kathy's House and do an activity, a show, or something fun for the kids to participate in we are always looking for new ideas!

Year-End Tax: Your 2013 year-end tax receipts are available at the front desk to pick up at your earliest convenience!
