

August Newsletter 2012

We want to say goodbye and good luck to all our kiddos who are going off to kindergarten!

As those Pre-K kids begin to head off to school, we will start the transition of moving the rest of our kids to the next room up. We will let you know individually as to when it's your child's turn to move up, so be looking out for those notes going home!

A BIG THANKS to the overwhelming response of all those who have donated plastic bags! We are now busting at the seams, and no longer need anymore plastic grocery bags for the time being. We will let you know when we are in need again.

We are currently looking for someone to mow/weed-eat/maintain our yard at Kathy's House as our previous parent who did this just moved to Texas! We can trade services for partial childcare tuition as an option if you'd like. If interested, please see Tammy.

Parents of 3-5 year olds: A new session of Karate is starting on September 6th. There will be an Open House at 10:30am on August 30th for the children to see what karate's all about, and practice a few moves. Parents are welcome, and if interested, can sign up for classes at that time.

Themes for the Month

6-10 The Zoo
13-17 Picnics and BBQs
20-24 All About Me!
27-31 Apples and Worms

REMINDER: The last day for our water days is August 3rd. Please do not bring your child in their swimsuit any longer, and please take swim suits/towels home with you. Thanks!

We will finish our summer program and start back into our daily school curriculum the week of August 13th. If you have a child in the 2s-Pre-K classes and would like them to benefit from the educational aspects of our program, please have your child here by 9:00 AM.

Please make sure that you are checking your child's art folder for papers, crafts, and books that need to go home.
