

February Newsletter 2013

2013 Enrollment Agreement: Please make sure that you have signed your new 2013 Enrollment Agreement. These are required to be updated each year. Also, please note the minor changes that have been added this year (numbers 8, 9, and 10). If you have any questions, please see Tammy or Jenny.

Activity Fee: The yearly activity fee is due by March 1st. It is \$60 for one child and \$80 for 2 or more children. We use this money to pay for supplies, and also for activities and programs such as our music teacher, Exotic Animals R Us, the ice cream truck, Reggie the Magic Guy, and much more.

Eye Exams: The Missouri Lion's Eye Research foundation is giving free eye screenings to all children. If you would like to sign your child up for this free service, please pick up a flier on the front desk and turn it in to the front office. This eye exam does not count toward the kindergarten requirement.

Tax Statements: Your 2012 childcare tax statements are ready. If you would like to pick them up, please see Tammy or Jenny in the office.

Parents of Pre-K Kiddos: We just wanted to give you a heads-up that the state requirements for kindergarten have changed. Your child now has to have an eye exam performed by an eye doctor, and not your regular pediatrician. Please make sure that you get this done prior to kindergarten enrollment so that your registration goes smoothly! The eye doctor should have the medical form needed on file; just make sure you let them know you're there for the kindergarten screening. When we find out the dates and times of enrollment, we will pass that information along!
