

June 2013 Newsletter

Reminder: If you have not yet switched out extra winter clothes for extra summer clothes in your child's tote, please consider doing so. As the weather gets warmer, we hate to put them in their extra fleece pants and sweatshirt should they have an accident and need to be changed.

In need of: There are 2 items that we are in need of: plastic grocery bags and old tee shirts that we could use as paint shirts for the kids. If you have either of these items and would care to donate them, we would be very appreciative of your generosity!

Sunscreen and Bug Spray: If you would like your child to have sunscreen and/or bug spray applied before we go out to play, then please bring a bottle with your child's name on it to be placed in our locked cabinet. We will use your items on your child only, but they cannot be kept in his/her tote. Thanks!

Summer Activities: Throughout the summer we will be having several activities and programs coming to Kathy's House for the children to take part in. In the past we have had Exotic Animals R Us, Reggie the Magic Guy, and the ice cream truck come just to name a few. Please be watching the front door as we will post more information to let you know days/times these events will be happening!

Themes for the Month

3-7 Vacation
10-14 Father's Day
17-21 Children Around the World
24-28 Wild West

Water Days: Our water play days for the summer will begin on Monday June 3rd. Please take note of the day your child's class will have water play and make sure that they bring a swim suit/swim diaper and towel. We will have water play as long as the weather permits it.

Monday: 4 year old class
Tuesday: Toddler class
Wednesday: Pre-K class
Thursday: 2 year old class
Friday: 3 year old class
